PROPERTY DESCRIPTION

Sample property description text:

Motivated seller will entertain most any reasonable offer. Beautiful decor, updated kitchen with granite countertops, steel appliances, sun filled breakfast nook.

Disclosures are available by clicking "Additional Info" or [click here](#) to download seller's disclosures, [and click here](#) for the pest report.

This is an example of how the property description might look with your choice of manually entering your listings or using our IDX provider, IDX Broker, to automatically download your listings. You can then add more photos and detailed descriptions, even embedded video (see below). Price and sales status changes need to be adjusted manually.

With each property you have the ability to upload 21 photos. The Google map feature also incorporates satellite and hybrid views. Click the map property link on the left to see this work. You can also upload plat maps and disclosures as well as add virtual tours.

Showing feedback is another feature that comes with your Real Pro System. It is east to request feedback by email from the agent that views your listing. When a showing agent receives your request, they will be taken to a page to rate your listing. See sample.

Once the showing agent rates the property your can send your seller a report of the feedback.
